**Sub:- Suo-moto disclosure of information on the various activities
carried out by the National Sports Federations (NSFs).**

Sir,

I am directed to refer to this office letter No.36-2/2010-SP-II dated 30th March, 2010 regarding declaring NSFs as Public Authorities under RTI Act, 2005. As per these instructions, all NSFs receiving grant of Rs.10 lakh or more in a year have been declared as Public Authorities under Section 2(h) of the Right to Information (RTI) Act. Further, as per the provisions under Section 4(2) of the RTI Act, 2005 it has been made incumbent upon all the public authorities to suo-moto disclose information on the various activities carried out by them.

2. It has been noticed that most NSFs have not placed the information on their websites with regard to important activities such as selection criteria and details of the officials, support personnel, technical staff, athletes, etc sent to various international sports events, held in India and abroad.
3. For the recently concluded Common Wealth Games at Glasgow, Govt. permitted participation of 322 athletes and officials involving expenditure of

Contd...

Rs.3.11 crores. It has been brought to the notice of Govt. that a large number of officials were deputed by the IOA/NSFs for which cost has been borne by the IOA/NSFs from their funds and accreditation provided by the Games organizers. It has also been reported that the allowance paid to these officials in some cases was much higher than that paid to the participating athletes. Since the IOA/NSFs are public authorities under the RTI Act and receive substantial Government funds, it is mandatory for them to place the complete information relating to the athletes and officials sent to the event on their website.

4. Therefore, IOA and the NSFs are advised to place the following information on their website latest by 20-08-2014:-

- (i) Complete details of officials who were sent to CWG by IOA/NSFs along with the amount paid such as air fare, boarding and lodging, local transportation, daily allowance etc.
- (ii) List of players (along with support personnel) who actually participated in Commonwealth Games.

5. IOA and NSFs are also advised to place the following information on their website with regard to the international events held in India and abroad:-

- (i) List of core probables and basis of their selection.
- (ii) Details of coaching camps organized including venue, dates and list of participants.
- (iii) Notification of selection criteria for such events well in advance along with the details of time and venue for selection.
- (iv) List of the athletes selected.
- (v) Details of athletes, support personnel and other officials sent to the event along with the amount paid to them towards air fare, boarding and lodging, local transportation, daily allowance etc. This is required to be placed on the website within 15 days of the conclusion of the event.
- (vi) Performance criteria which formed the basis of selection, actual performance in terms of timing, distance, etc. and the position obtained by each athlete/team.

6. A compliance report with regard to the action taken on para 4 above should be furnished by the IOA and the concerned NSF's by 20-08-2014 to this Ministry. As regards action on para 5 above, the compliance report should be submitted by the IOA/NSF's to SAI within a month of completion of each event.
